

Illinois Valley YMCA

Nondiscrimination Policy

The Illinois Valley YMCA (“YMCA”) embraces values and beliefs which support and reflect the inclusion and appreciation of all individuals, regardless of race, color, physical or mental disability (including use of a guide dog, hearing dog, or service dog), religion, creed, sex, pregnancy, childbirth or related medical conditions, sexual orientation or affectational orientation, gender identity or expression, national origin, ancestry, nationality, age, veteran status, uniform service member status, genetic information, atypical hereditary cellular or blood trait, marital status, domestic partnership status, civil union status, familial status, or any other protected class under federal, state, or local law. We are proud to be an equal opportunity employer and provider of services to the community.

Nondiscrimination in the Provision of Services to Persons with Disabilities

As a place of public accommodation, the YMCA is proud to serve a diverse community of individuals, including those with disabilities. The YMCA will work with prospective and current participants with disabilities, and/or their parents/guardians, to ensure that individuals with disabilities are offered full and equal enjoyment to the YMCA’s goods, services, facilities, privileges, advantages and accommodations. The YMCA does not discriminate in the provision of services to individuals with disabilities, including children with diabetes, in any YMCA programs including, but not limited to, childcare, camps, before and after-school programs, classes and recreational programs. Accordingly, the YMCA will not exclude individuals with disabilities from enrollment. The YMCA also will not impose or apply eligibility criteria that tend to screen out or screen out individuals with disabilities.

Prospective or current participants with disabilities, and/or their parents/guardians, may, at any time, request modifications to the YMCA’s policies, practices and procedures and/or request auxiliary aids or services. Reasonable modifications and auxiliary aids and services can be wide-ranging. A few examples include: working with children who have diabetes to administer the necessary care they need, allowing a program participant to have a service animal, and providing sign language interpreters.

All requests for modifications or for auxiliary aids and services should be directed to the applicable Program Director, the Branch ADA Compliance Officer or the Association Office ADA Compliance Officer. Program Directors may be reached in person or by calling the Branch’s main telephone number and asking for the Program Director. Contact information for Branch ADA Compliance Officers is located at ivymca.com under the “About Us” tab. The Association Office ADA Compliance Officer, David P. Potthoff, may be reached at d.potthoff@comcast.net or at 815.223.7904 Ext. 15.

The YMCA will work with prospective or current participants in our programs, and/or their parents/guardians, to promptly address all requests for modifications to the YMCA's policies, practices and procedures and/or for auxiliary aids or services and to determine what reasonable modifications and/or auxiliary aids and services are available. Our goal is to ensure that all participants in our programs with disabilities have access to the full and equal enjoyment of all YMCA programs. Accordingly, the YMCA conducts individualized assessments on the specific facts of each request and will not apply a general prohibition against providing particular types of reasonable modifications. The YMCA will make reasonable modifications for individuals with disabilities, including children with diabetes, unless the request for modification amounts to a fundamental alteration of the applicable YMCA program. Similarly, the YMCA will provide auxiliary aids and services for individuals with disabilities, unless the request for the auxiliary aids or services creates an undue burden or amounts to a fundamental alteration of the applicable YMCA program.

The YMCA prohibits retaliation against any individual for exercising their rights to request and/or receive a modification to the YMCA's policies, practices and procedures or auxiliary aids and services. The YMCA further prohibits retaliation against any individual who in good faith participates in any investigation or proceeding related to a request for modification to the YMCA's policies, practices and procedures or auxiliary aids and services.
